Verse 1:

Here we wait for You
Longing for the day to be with You
And all You said You'll do
Because we know that all Your promises are true
Oh we know that all Your promises are true

Chorus:

Lift up your voice and say our God is worthy to be praised
Forever we will shout Your Name
God Almighty reigns
Our God reigns

Verse 2:

Before the world began
You set into motion all Your plans
You sent a spotless Lamb
King of Heaven humbled as a man
You're the King of heaven humbled as a man

Chorus:

Lift up your voice and say our God is worthy to be praised
Forever we will shout Your Name
God Almighty reigns
Our God reigns (x2)

Bridge:

Let all the earth sing Hallelujah
Lift up your eyes and see Him coming
Glory and power and Salvation
Belong to our God (x2)

Chorus:

Lift up your voice and say our God is worthy to be praised
Forever we will shout Your Name
God Almighty reigns
Our God reigns (x2)

Turnaround:
Here we wait for You
Longing for the day to be with You
